

– over charge protection

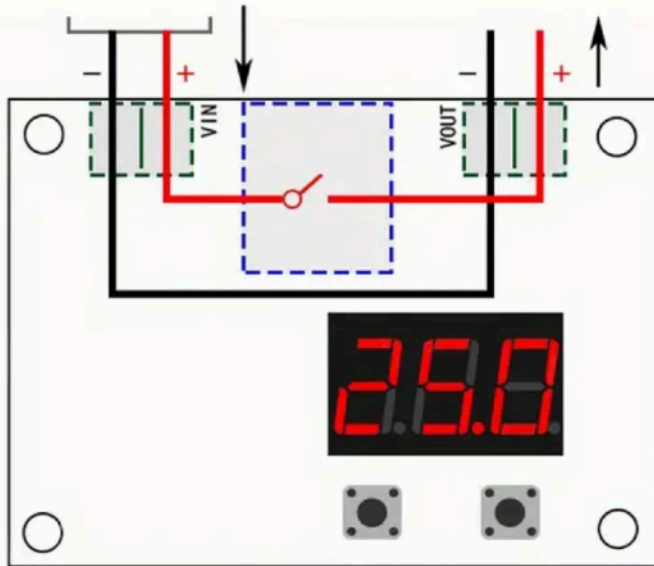

– over current protection

– short circuit protection

– over discharge protection

No.	Parameter	Value
1	Product name	Battery overdischarge protection module
2	Model	XH - M609
3	Power supply voltage	The 12 V- 36 V battery
4	Output voltage	Equal to power supply voltage
5	Control precision	0.1 V
6	Power consumption	Less than 1.5 W
7	Scope of application	Various storage batteries, lithium batteries
8	Net weight	28 g
9	Size	57 * 42 * 19 mm
